# EXPRESS DELIVERY

## RESIDENTIAL

Try honing down your driving skills by speeding through our residential maze.

**EXPRESS DELIVERY** is the best driving new game from Cinematronics that will boost your profit margin into the fast lane!

Today's World is action packed. As an Express Delivery Courier, the Game Player uses realistic controls to maneuver his car around traffic jams, police cars, fire trucks and other obstacles, while scoring large bonuses for arriving at the destination before the time limit is up.

Game play starts out with simpler street scenes to allow for driving familiarization. The challenge increases as skills are honed to a fine edge. Accelerate up, down, left and right with realistic braking at your command. Reverse your way out of tight alleys. Sixteen screens provide a wide variety of driving conditions. Deliveries can go to both the beach and the mountains, the city and the farm.

For more information on how to run up your own **EXPRESS DELIVERY**, contact your nearest Cinematronics® distributor.
